Block Bank Community update,

Morning everyone as we come to the last Month of the presale we have put together a more comprehensive bounty campaign for our users and supporters. We currently are offering bounty's for translations and you tube videos. Also we want to work with telegram partners throughout our network. I have attached the bounty's available to to end of this month which will expire on the 28th of February. To participate please send you proof of work to the bounty group on telegram alternatively you can send proof of work to my self or Anton the bounty manager. Thank you all you support and I hope you like the bounty's available we have tried to make them as attractive as possible.

The Activities are

- Refferals 10% fee
- White paper Translations 1000 BBRT
- YouTube Videos 3000 BBRT
- Telegram Groups Please inquire for details
- Web Banners 400 BBRT per banner

All bountys will be paid on the 5th of March 2018 provided the has been proof of work

Please check the file for more details

Thanks again for you support and get in touch with any questions.

Adam and the team.
